

MACHINE OVERVIEW

Company

FIDES SRL AND SPÜHL GMBH - A LONG TRADITION IN WIRE FORMING MACHINES

Spühl GmbH is a 100% subsidiary of Leggett & Platt, Inc. – the world's biggest innerspring producer.

Since 1991 Fides has been an important part of the Spühl group. Together we are your reliable partner for Fides wire forming machines, manufactured in Italy and Switzerland. They are sold to innerspring-, mattress- and also upholstered furniture manufacturers in over 150 countries around the world. Our product range includes the following groups of machines: Bonnell coiling-, assembly- and transfer machines, pocket spring machines and special machines.

Based on more than 130 years of experience in machine-building, Fides products are designed to be solid and easy to use, require minimal maintenance, and are ideal for an efficient innerspring production. Detailed documentation on maintenance and operation is available. With the electronic parts ordering systems SEPOS and Visual Parts you have at your disposal an excellent system for ordering spare parts around the clock online. ▼

Pocket spring machines

The Fides coiling and assembling machines for pocket springs cover an extensive working range. A very fast and easy changeover of different specifications is guaranteed.

FPC-55 Economic pocket spring machine

FPA-150 Economic pocket spring assembler

FPC-90 Universal pocket spring machine
